MISSION AND PURPOSE

The purpose of Western Pacific Truck School (hereafter referred to as WPTS) is to prepare our students with the knowledge and skills that will help them become qualified for entry-level positions, which require a Class B Commercial Driver's License.

Students are taught the necessary defensive driving techniques, skills and knowledge to help them meet the requirements of the Class B Commercial Driver's License Examination as administered by the Department of Motor Vehicles. We place a heavy emphasis on safety and emergency procedures.

Upon successful completion of the Class B Commercial Driver's License Program, and having obtained a Commercial Drivers License from the Department of Motor Vehicles, men and women are prepared to obtain an entry-level position in the transportation industry as a Class B vehicle operator.

OUR LOCATIONS

Each of our campuses consists of a classroom, offices and a training yard and are located in an industrial area -- the type of areas where truck terminals are normally located. WPTS' facilities and equipment comply fully with Federal, State, and Local ordinances and regulations. This includes fire, building, safety, and health requirements.

Our campus classrooms accommodate an average class size of 20 students. Classrooms include a library of periodicals and videos relating to the trucking industry. Students are able to use these materials to reinforce the subject matter or may ask the Classroom Instructor or Campus Manager to view or check out for home study any particular video they feel they may need. There is no fee for use of the library materials. The materials are accessible during operating hours. Range/Lab training (off road skills practice) will be accomplished on courses designed for all needed range skills. Field Training, i.e. behind the wheel driving and observation, will be accomplished with one student to one Instructor.

THE EQUIPMENT WE USE

Western Pacific students are trained on equipment commonly used today in inter-city delivery, moving and storage and construction. Equipment is exchanged between our campuses in order to meet student needs and for maintenance and repair. Tractors and trailers are exchanged between our campuses in order to meet student needs and for maintenance and repair. Please see page 19 for a detailed list of our current equipment. Additional tractors and/or trailers are leased as needed.

EQUAL OPPORTUNITY POLICY

WPTS grants students of any race, color, creed, sex, marital status, sexual orientation, nationality and ethnic origin all rights, privileges, programs, and activities generally accorded or made available to students at our school. We do not discriminate on the basis of race, color, sex, nationality, or ethnic origin in administration of our educational policies, admission policies and other school-administered programs.

Individuals with disabilities are encouraged to visit the school in order to determine if the facilities are adequate for their needs and/or if the training offered would be beneficial for them.

STUDENT SERVICES

Student services include academic and placement assistance as provided by the Campus Manager, Admissions Representative, and Staff. Staff members, within their capacities, will assist students in any way possible. This assistance can range from supplying information on local restaurants, hotels or public transportation to arranging special and/or make-up training as needed.

- **WPTS does not have dormitory facilities under its control.**
- **WPTS does not have any responsibility in finding or assisting a student in obtaining housing.**
- **Students are responsible for arranging their own accommodations. There are several hotels within 10 miles of each of our training facilities ranging in cost from approximately \$65 per night to \$125 per night. There is housing available for rent in the 95826 postal zip code (Sacramento) ranging in cost from approximately \$900 - \$2,500 per month; in the 95205 postal zip code (Stockton) ranging in cost from approximately \$500 - \$1100 per month; and the 95354 postal zip code (Modesto) ranging in cost from approximately \$700 - \$1300 per month.**

Students with special needs that we are not qualified to address, such as personal/family counseling needs, substance abuse, financial problems, etc. are referred to the appropriate community resources.

PLACEMENT ASSISTANCE

We work closely with companies who employ Class B vehicle operators. Good interview and job seeking skills often make the difference between a successful career and unemployment. For this reason, the Campus Manager, Admissions Representative, Placement Specialist and Staff work closely with students during the training period on developing their job-seeking skills. Students are advised on topics ranging from filling out employment applications to developing the attitude and work habits that employers are looking for in employees.

COURSE DESCRIPTION

The Class B Commercial Drivers License Program is a one-week program. Classroom and field training total 40 clock hours (A clock hour represents 50 contact minutes per hour.) Classroom training is 6 hours. Field training consists of 34 hours of Class B operation instruction. One additional day is set aside at the end of the training for CDL testing as administered by the Department of Motor Vehicles.

The Class B Commercial Driver's License Program includes in-depth study of safe driving techniques, air brake systems, loading/unloading, vehicle safety inspection, drug and alcohol awareness and job search and resume preparation. All students receive practical experience operating Class B vehicles on the open road, in highway and heavy traffic conditions. We place a heavy emphasis on safety and emergency procedures. Students will be tested on various subjects that are taught during Classroom and Practical Training (Please see Training Outline on page 13). Students will have final written exam which will encompass the subjects taught during the Classroom Training and a Final Practical Test which will cover all skills taught during Practical Training. Students who successfully meet our Satisfactory Progress requirement of 70% of all written and practical work, and complete a minimum of 32 Clock Hours (80% of the course) will receive a Certificate of Completion.

STATE COMMERCIAL DRIVER'S LICENSE INFORMATION

The Class B Commercial Drivers License Program is designed to lead to a career field that requires licensure in this state. A Commercial Driver's License is issued in accordance with State and Federal Regulations that allow an individual to operate a commercial vehicle. No school can secure a Commercial Driver's License for you. You must meet the following requirements and basic procedure for licensure.

1. You must be at least 21 years old to drive a commercial vehicle across state lines (interstate commerce) or to transport passengers or hazardous materials or wastes (intrastate or interstate commerce). You may drive for hire within California if you are 18 years of age or older and do not engage in interstate commerce activities.
2. Submit Application and any required documentation (such as: DOT Physical Exam, verification of your Social Security Number, birth date, and legal presence) to the California Department of Motor Vehicles, and pay all applicable fees (for information about fees see Page 10 – Tuition and Fees).
3. All commercial driver license applicants including renewal applicants must disclose whether he or she has been issued a driver's license in the same name to operate any type of motor vehicle in another state or jurisdiction within the previous ten years. If yes, a 10 year history record check form must be completed and submitted with the application.
4. Pass written and vision exams as administered by the California Department of Motor Vehicles; and provide a thumb print and have your picture taken to obtain a driving permit.
5. Pass Practical Exam (Pre-Trip Inspection, and Skills/Driving Exam) as administered by the California Department of Motor Vehicles. The Practical Exam will be scheduled by the School.

ADMISSION REQUIREMENTS

To be accepted for training, applicants must be able to:

- ◆ Read, write and comprehend English (English as a second language is not provided)
- ◆ Provide proof of US High School Diploma, GED or equivalent, or provided test results as determined approved by the agency administering the test, for the following Ability to Benefit Tests: Work Keys, Key-Train, ACT, CASAS, TABE 9/10, BEST, GAIN, TABE 7/8, or Pesco.
- ◆ Pass a Department of Transportation physical
- ◆ Obtain a DMV print-out and have an acceptable driving record
- ◆ Submit a current Driver's license
- ◆ Submit a Social Security Card
- ◆ Pass a drug screen

All students attending Western Pacific Truck School must be at least 18 years of age. The state has set the minimum age for commercial driver's driving within California at 18. Federal law requires interstate drivers to be at least 21 years of age.

Drug and Alcohol Testing: Students must submit to random, reasonable suspicion and post-accident drug and alcohol testing while attending WPTS per Federal Motor Carrier

Safety Regulation Part 382. A refusal to submit to drug and alcohol testing will have the same consequences as a positive result. A positive result for any reason will be cause for immediate dismissal. An applicant may be reconsidered for acceptance into our training program after completion of Department of Transportation requirements through a qualified Substance Abuse Professional and the possibility of employment is considered.

ADMISSIONS PROCEDURES

The applicant is first interviewed by the Admissions Representative. This interview serves a two-fold purpose: informing the applicants about our school and careers requiring a Class B License and screening the applicants for suitability for training under the criteria of the Class B Commercial Driver's License Program.

The Admissions Representative will discuss the pros and cons of a career within the industry. We believe it is important for all applicants to have all information possible in order to make an informed career choice. An Enrollment Agreement is processed when the applicant is deemed qualified for training and enrolls in school. The agreement is then reviewed by the school official and if acceptable, final approval is authorized.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at Western Pacific Truck School is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in the Class B Commercial Drivers License Program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Western Pacific Truck School to determine if your certificate will transfer.

WPTS has not entered into an articulation or transfer agreement with any college or university.

WPTS does not accept hours or credits earned at other institutions, through challenge exams, achievement tests or experiential learning.

WPTS does not admit students from other countries who have not established legal presence in the United States, Visa services are not provided, and we will not vouch for student status and associated charges.

WPTS does not offer any English as a Second Language courses. All instruction occurs in English. English proficiency required for licensure under Federal Regulation is that the driver can read and speak the English language sufficiently to converse with the general public, to understand highway traffic signs and signals in the English language, to respond to official inquiries, and to make entries on reports and records. Proof of High School Diploma, GED or equivalent, or approved test results as determined by the agency administering the test for the following Ability to Benefit Exams: Work Keys, Key-Train, ACT, CASAS, TABE 9/10, BEST, GAIN, TABE 7/8, or Pesco will be required for documentation of this proficiency.

DRESS CODE

Students are expected to arrive at school clean and neatly groomed. We recommend jeans, T-shirts, sweatshirts and comfortable shoes. Appropriate clothing and shoes must be worn for safety reasons.

STUDENT CONDUCT

Certain standards of conduct must be observed in order to create a healthy and safe learning environment for our students. Each student is given a copy of the Rules and Regulations when they start class. We ask that all students follow the rules and any direction given by staff. Students are to conduct themselves in a way that is a credit to their school, fellow students and the trucking industry. The following activities at or around the facilities and equipment will be cause for immediate termination:

- ◆ Being under the influence of alcohol and/or drugs
- ◆ Smoking in unauthorized areas
- ◆ Gambling
- ◆ Excessive absence or tardiness
- ◆ Making threats or any physical or verbal conflict with: other students, staff members and/or the general public.
- ◆ Unsafe operation of equipment and/or abuse of equipment.
- ◆ Unauthorized truck starting or operation
- ◆ Having weapons on campus or in our trucks at any time.

HOLIDAYS OBSERVED

Western Pacific observes the following holidays: New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. Due to the intensive nature and short length of the Class B Commercial Driver's License Program, it is essential that students use the provided make-up days for holiday closures, if any, during the training period.

OPERATING SCHEDULE

Our administrative office hours are from 8:30 AM to 5:00 PM, Monday through Thursday and 8:30 AM to 4:00PM on Friday. Individual campuses offer both day and evening classes (see schedule for start dates on Page 14). Students are informed of any upcoming schedule changes.

DAILY TRAINING SCHEDULE

Students enrolled in both the day and night class will attend training eight hours per day for the entire program. Students are informed of the scheduled daily class start and end time at the time of enrollment.

STUDENT ATTENDANCE

Perfect attendance is very important during any training program. With a short-term program such as ours, even one absence can make a student fall behind to the point they may not be able to complete the course without extensive make-up work. We ask students to anticipate and plan for any problems that may arise with transportation, childcare, etc. that could prevent them from attending class.

The following terms and policies describe our Attendance Policy:

Absence: An absence will be considered as "excused" under the following circumstances: illness, death or birth in immediate family, or required military service. All excused absences must be authenticated in writing. Other circumstances must be substantiated in writing as well, and will be determined excused or unexcused at the discretion of the Campus Manager and/or President. All other absences will be considered "unexcused."

Tardiness: Tardiness is a disruption of a good learning environment and is to be discouraged. Being "on time" is not only important for school; it is a fact of life in the trucking industry. Tardiness (10 minutes or more) without a legitimate reason may result in the student receiving a warning.

Make-up Work: Make-up Work will be scheduled by the Campus Manager for excused absences only. Incomplete work must be made up before a student can complete the course and will be scheduled depending on equipment and Instructor availability.

Leave of Absence: Western Pacific recognizes the fact that circumstances may arise during training that would make it difficult for a student to continue training. However, due to the short length of our course we will not grant a leave of absence.

Warning/Drop Procedures: Any student with one unexcused absence (whether from absence or tardiness) will be notified that he/she may be dropped from the Class B Drivers License Program unless immediate arrangements are made with the Campus Manager and/or President to resume training. Failure to respond to a drop notification will result in the student being dropped from the program.

PROBATION AND DISMISSAL

Students who fail to meet attendance or student conduct requirements will be dismissed. There is no probationary period due to the short length of this course. If you are unable to meet the Satisfactory Progress requirement you will be dropped from the training program.

Conditions for Readmission: Western Pacific may not readmit a student who was dropped for misconduct. Any student who wishes to re-enroll following dismissal for failure to meet satisfactory progress or attendance requirements must request re-admission from the Campus Manager. Requests can be made verbally or in writing at the location where training took place (as listed on page i of this catalog). Circumstances regarding unsatisfactory progress or attendance will be reviewed on an individual basis and you will be notified regarding eligibility to re-enroll.

SATISFACTORY PROGRESS AND ACADEMIC STANDARDS

Satisfactory progress is defined as a 70% ("C" average) for all practical and written work and is evaluated daily. A "C" average or better must be achieved for each grading period. Measures used to assess the standards of progress are written examinations during Classroom Training and driving tests during Field Training. Written and driving test scores are recorded daily on the Student Training Report.

GRADING SYSTEM

Grades of A, B or C are passing grades. A grade of D is unsatisfactory; a grade of F is failure. A grade of Incomplete shows a need for additional course work.

GRADE LEVEL	PERFORMANCE DEFINITION
A = Good	90% - 100%
B = Satisfactory	80% - 89%
C = Needs Improvement	70% - 79%
D = Unsatisfactory	60% - 69%
I = Incomplete	Not Complete
Dp = Dropped	Dropped

CERTIFICATE OF COMPLETION

In order to successfully complete the course, students must:

1. Meet Satisfactory Progress requirement of 70% ("C" average) or above; and
2. Meet minimum attendance requirement per WPTS Policy.

Eligible students who have met these requirements will receive a Certificate of Completion, provided tuition fees are paid in full or otherwise accounted for.

STUDENT RECORDS

An official student record is kept for each student including information such as enrollment documentation, grades, attendance, advisements, and placement information. Financial records are also kept for each student. These files provide a complete record of tuition charges, payments, refunds and any other financial transactions and will be maintained for a period of five years from the student's date of completion or withdrawal/termination. Transcripts are maintained permanently. After three years from the student's date of completion or withdrawal/termination, student files and transcripts may be stored electronically. Student records are confidential. A student may request at any time review their academic or financial records with the Campus Manager. In the event of school closure, student records will be maintained by the appointed Custodian of Records as required under California Education Code.

TUITION AND FEES

Tuition for the Class B Commercial Driver's License Program, is \$3,200.00 plus \$250.00 Registration Fee (non-refundable) and a fee of \$50.00 for Books and Supplies for a total cost of \$3,500.00. **The total cost of \$3,500.00 does not include the following expenses incurred as part of each student's required documentation:**

- ◆ Students must pay for their DOT physical. Fees differ depending on the provider. The Admissions Representative has information on where a DOT physical can be obtained at a cost of \$60.00.
- ◆ Class B (Commercial Drivers License) permit fee is \$73.00. One DMV drive test is included in the initial permit fee.
- ◆ DMV driving record printout is \$5.00.
- ◆ Drug Test is \$75.00. (Additional collection fee may be assessed depending on the provider).
- ◆ Student Tuition Recovery Fund Assessment Fee is \$0

Total Cost for the Period of Attendance: Tuition, Registration Fee, Books and Supplies and Incidental Expenses = \$3,713.00. Total Charges for the entire educational program: Tuition, Registration Fee, Books and Supplies, and Incidental Expenses = \$3,713.00. ONE DMV drive test is included in the initial permit fee. Students must pay any applicable fees to the DMV for additional tests as necessary. STRF Assessment Fee, Registration Fee and fees paid to third party providers are Non-Refundable.

WPTS participates in some Federal or State Financial Aid Programs, such as Veterans Education Benefits, Workforce Investment Opportunities Act, Employment Development Department, and Department of Rehabilitation programs. These funding programs may be available to you if you qualify. You must contact these agencies directly to receive consumer information in regards to these financial aid programs and must meet the agency's eligibility requirements to qualify for funding assistance. Our Admissions Representative has information on how to contact these agencies.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

WPTS does not have a pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, and has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.).

STATE OF CALIFORNIA STUDENT TUITION RECOVERY FUND

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer,

government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or the Division within 30-days before the school closed or, if the material failure began earlier than 30-days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

STUDENT'S RIGHT TO CANCEL

A Student has the right to cancel his or her agreement for a course of instruction, without any penalty or obligations, **through attendance at the first class session, or the seventh day after enrollment, whichever is later.** You also have the right to stop school at any time; and have the right to receive a **pro rata refund if you have completed sixty (60) per cent or less of the program.**

Cancellation may occur when the student provides a written notice of cancellation at the school address of his/her attendance. Our Campus addresses are listed below:

2200 Lapham Drive, Modesto, CA 95354
1002 N. Broadway, Stockton, CA 95205
8180 Industrial Parkway, Sacramento, CA 95824

This notification can be made by mail or by hand delivery. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. The written notice of cancellation need not take any particular

form. It is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

If the Enrollment Agreement is cancelled, the school will refund the student any money he/she paid, **less a registration fee not to exceed \$250.00**, and less any deduction for supplies not returned in good condition, **within 45 days after the notice of cancellation is received.**

STUDENT'S RIGHT TO WITHDRAW AND REFUND POLICY

You may withdraw from the school at any time and **receive a pro rata refund if you have completed sixty (60) per cent or less of the period of attendance.** The amount of that refund is to be pro-rated according to the not completed portion of the program less the cost of any equipment returned in good condition, **and a registration fee not to exceed \$250.00. The refund is to be paid within 45 days of withdrawal.**

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of withdrawal or as of the date of the student's withdrawal, whichever is later.
- The school terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the school's rules and regulations, absence in excess of the maximum set forth by the school; and/or failure to meet financial obligations to the school.
- The student has failed to attend class for 2 days of the Class B Commercial Drivers License Program

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid the student shall be deemed to have withdrawn at the end of 2 consecutive days of non-attendance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If the student defaults on a federal or state loan both of the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing an income tax refund; and
- (2) The student may not be eligible for any other governmental financial assistance at another institution until the loan is repaid.

POLICIES ON STUDENT RIGHTS AND GRIEVANCE PROCEDURES

Right to Inspect Records

A student may request at any time to review their academic or financial records with the Campus Manager. In the event of school closure, student records will be maintained by the appointed Custodian of Records as required under California Education Code. The right of our students to inspect their individual records is in accordance with the Family Education Rights and Privacy Act of 1974, Public Law 93.380, as amended.

Transcript Copies

Attendees who have satisfied financial obligations currently due and payable to the school can request a copy of their transcript. Requests for copies of transcripts can be made in writing to our Administrative Offices at: 2111 W. March Lane, Suite A-5, Stockton, CA 95207, or by personally coming to one of our Training Locations to make the request. You will be asked to provide identification. The school charges \$10.00 per transcript copy. Transcript copies will not be immediately available upon your request. The records will need to be pulled, and the copy mailed or otherwise forwarded to you.

Procedures for Addressing Student Grievances

Persons seeking to resolve problems or complaints should contact the Campus Manager at the location of your attendance during business hours either orally or in writing. You may also contact Bob Schauer, President, by calling 1-800-677-7717, Monday through Thursday 9:00 AM to 4:00 PM. The designated person shall have the authority and duty to do all of the following: 1) Investigate the complaint thoroughly including interviewing all people and reviewing all documents that relate or may potentially relate to the complaint. 2) Reject the complaint if, after investigation it is determined to be unfounded, or to compromise or resolve the complaint in any reasonable manner. 3) Implement reasonable policies or procedures to avoid similar complaints in the future. 4) Communicate directly to any person in control regarding complaints, their investigation, and resolution or lack of resolution. Grievances will be reviewed and responded to within 30 days of first notification. Requests for further action may be made to Bob Schauer, President, by calling 1-800-677-7717, Monday through Thursday 9:00 AM to 4:00 PM.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888)370-7589 or by completing a complaint form, which can be obtained on the Bureau's internet web site (www.bppe.ca.gov).
